**Executive Committee Report 2010**

The Association's main activity is to promote networking among alumni. During the year we organized various activities providing occasions for members to meet. Following is a summary list of events, photos and details could be viewed from our website [www.igds-alumni.org](http://www.igds-alumni.org).

In the participation of social angel projects, we have finished the study of inventory control and point-of-sale system for MentalCare Connect Co. Ltd., and identified a potential vendor. The implementation will depend of available funding. The project team is headed by Sammy Poon, consisting of Kevin Cheng, Laurie Wong, Mona Ho and Jane Wong.

Upon invitation of Hong Kong Council of Social Services HSBC Social Enterprise Business Centre, three of our alumni, Eric Ngo, Mona Ho and Jane Wong, sit in the project steering committee as advisor for the project of Hong Kong Red Cross Database Management System on Emergency Relief Supplies. The project is to establish a logistic system for procurement of emergency supplies for disaster relief operation. Project kicked off in October 2010 and scheduled to be completed by June 2011.

Those alumni who liked soccer have formed a football team to participate in HK-7 Federation of Football amateur league. The team has to play 24 matches running from April to December 2010. It is a challenging first time trial and we wish them gaining experience and skill in those tough games.
